## Administrator Module

From this Module We can Manage Staff Registration, Account details and Privileges of Staff's. Administrator may enter necessary details of the Library Staff using Register Staff option, may create login account for the registered staff and then assign privileges to the staff whose login account has been created.

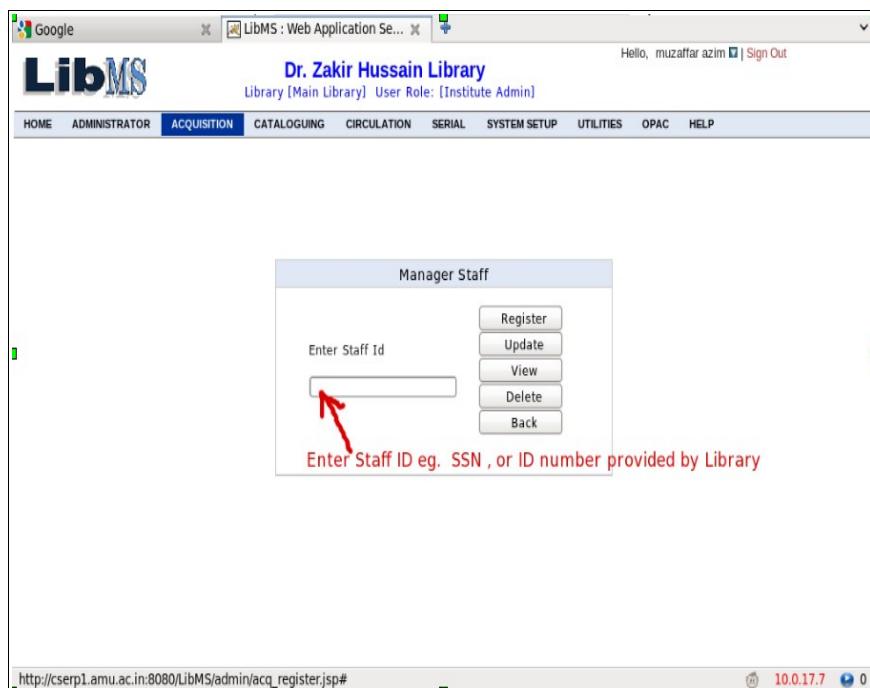

### Activity Name : Administrator->Staff Registration

In Staff Registration we can add Library Staff in LibMS, by Which They can login in LibMS and can perform different activities based on privileges assigned to them for that, Click on Staff Registration->Register Staff as mention in given screen shot of Register Staff Page

ministrator->Staff Registration->Register Staff->Regis

You need to enter staff id/Emp ID (Ex - ABC90934). For Registration ,We need to Press Register button,

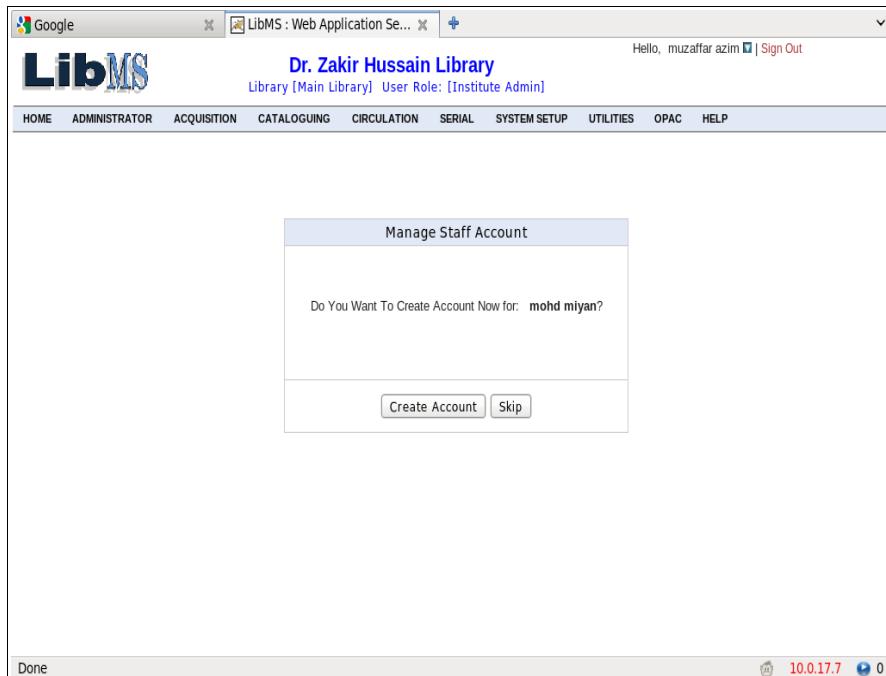

Now We are redirected to following page

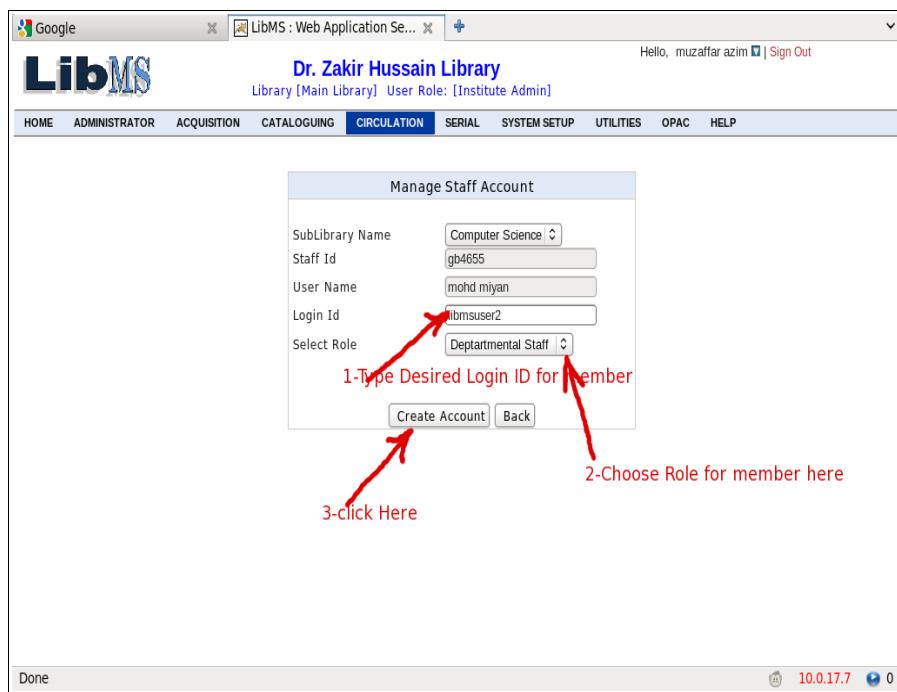

The screenshot shows the 'New Member Registration' page. The top navigation bar is identical to the previous screen. The main form is titled 'New Member Registration' and includes a note: 'Fields marked with asterisk (\*) are Compulsory'. The form contains various input fields: Library (dropdown menu with 'Computer Science' selected), Staff Id (text input 'gb4655'), Email Id\* (text input), First Name\* (dropdown menu), Last Name\* (dropdown menu), Employee's Gender (dropdown menu), Date of Birth (text input 'YYYY-MM-DD'), Father Name (text input), Contact No (text input), With STD/ISD Code (text input), Mobile No (text input), Mailing Address\* (text input), City\* (text input), State\* (text input), Country\* (text input), ZIP Code (text input), and a checkbox for 'Click Here' (unchecked). There are also fields for Permanent Address, City, State, Country, and ZIP Code. On the right side of the form, there are two notes: '1- Select Library from here' pointing to the 'Library' dropdown, and '2-Fill all mandatory fields' pointing to the 'First Name\*' and 'Last Name\*' fields. At the bottom of the form are three buttons: Register, Reset, and Back. A red arrow points to the 'Register' button with the instruction '3-Click here'.

When staff detail is registered successfully you(Institute Admin) can create account for the registered member. You can also skip this step, but if you skip

here you have to create account later from Manage staff Account menu.  
(path: Administrator->Manage Staff Account->Create Account)

type the desired login Id for member , select role and click Create Account.

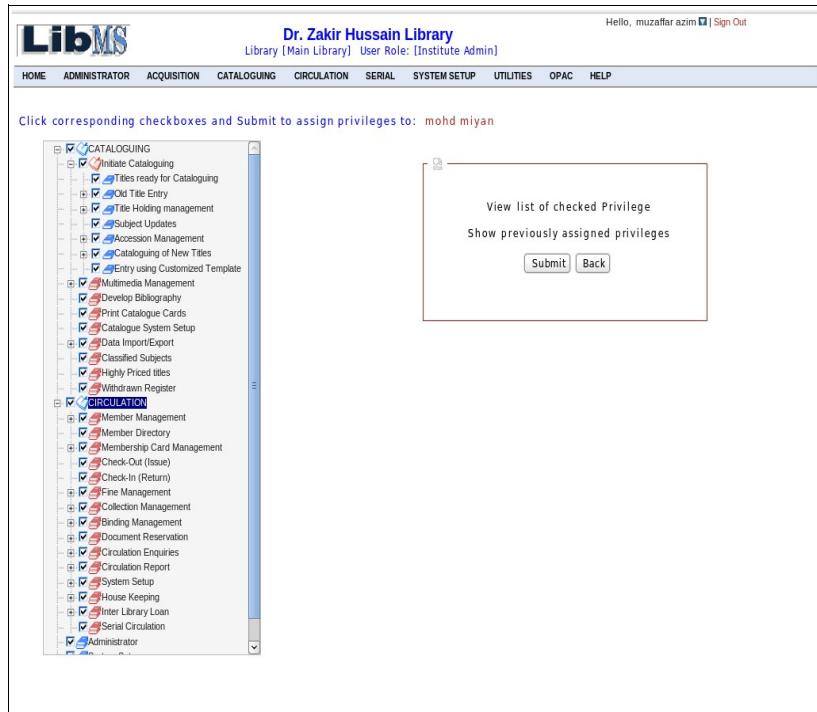

When you click Create Account an email regarding user-name and password is sent to the staff member. Now he can access your Library with his user name and password.

The screenshot shows a web browser window for the LibMS application. At the top right, it says "Hello, muzaffar azim" and "Sign Out". The main content area displays the following text:  
Login Id:libmsuser2  
Select Role:dept-staff  
User Name:mohd miyan  
Library Id:jmi  
The confirmation email sent successfully.

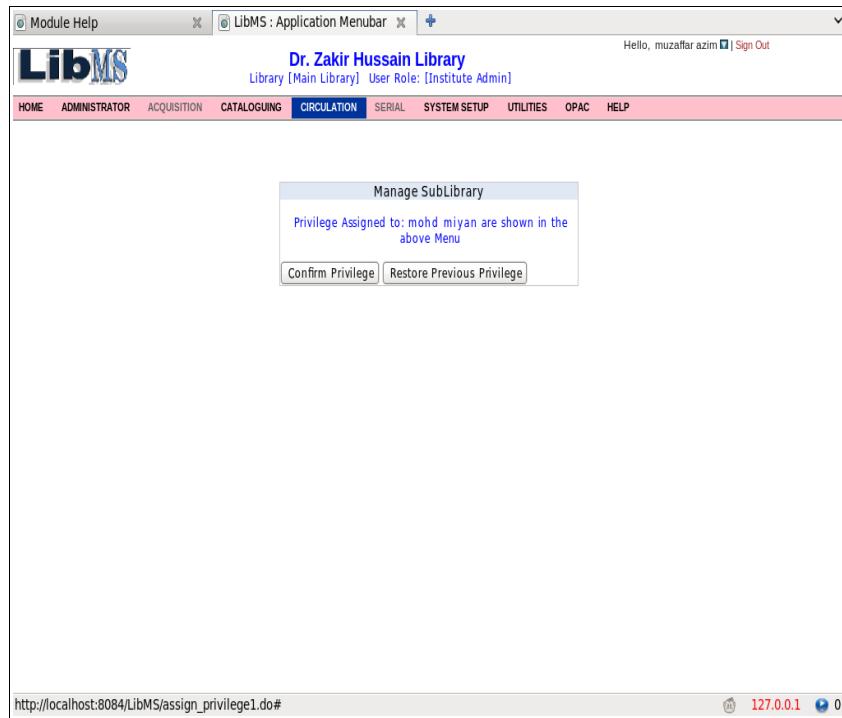

The screenshot shows a modal dialog box titled "Manage Privileges". It contains the message "Do You Want To Assign privilege Now for: mohd miyan?". At the bottom are two buttons: "Assign Privilege" and "Skip".

Assign the privileges for the member or you can skip this step here. If you skip here later you have to set privileges(by entering Staff ID ) from Manage Staff Privilege menu(Path: Administrator->Manage Staff Privilege->Assign Privilege).

select check boxes to assign the privilege to the member and click submit.

when you click submit the staff member screen will appear with the assigned privilege menu in bold letters. member can access only those menu which are dark(bold letters).

On Click on Confirm Privileges the privileges are successfully set to the staff and mail is send to him regrading it.

## Administrator->Staff Registration->Register Staff->Update Staff

Institute admin can update and change member detail by using staff Id.

if you want to change detail of the staff member click change staff detail.  
Enter Staff id of the member and click update button.

The image contains two screenshots of a web-based library management system (LibMS).  
**Screenshot 1: Manager Staff**  
This screenshot shows a modal dialog titled "Manager Staff". It contains a text input field labeled "Enter Staff Id" with the value "gb4655" highlighted. To the right of the input field are five buttons: "Register", "Update" (which is highlighted in yellow), "View", "Delete", and "Back".  
**Screenshot 2: New Member Registration**  
This screenshot shows a form titled "New Member Registration". The form includes fields for personal information like Name, Gender, Date of Birth, and Address, along with professional details like Library, Staff ID, and Contact information. A note at the top right says "Fields marked with asterisk (\*) are Compulsory". The "Staff Id" field has "gb4655" entered. The "First Name\*" field has "Mr. Mohd" entered. The "Last Name\*" field has "miyan" entered. The "Gender" dropdown is set to "Male". The "Date of Birth" field has "2011-08-10" entered. The "Father Name" field has "TANVEERUSSAYED" entered. The "Mailing Address\*" field has "326 Mohd Habib Hall AMU" entered. The "City\*" field has "aligarh" entered. The "State\*" field has "up" entered. The "Country\*" field has "india" entered. The "ZIP Code" field has "202002" entered. At the bottom of the form are "Update" and "Back" buttons. The URL in the browser's address bar is "http://localhost:8084/LibMS/admin/main.jsp".  
The browser status bar at the bottom right shows "127.0.0.1 3".

make changes in the field values and click Update

Record Successfully Updated message will appear.

Administrator->Staff Registration->Register Staff->View Staff Details

Enter Staff id of the member and click view button.

The screenshot displays two windows of the LibMS application. The top window, titled 'Manager Staff', shows a form with an input field 'Enter Staff Id' containing 'gb4655' and four buttons: 'Register', 'Update', 'View', and 'Delete'. The bottom window, titled 'New Member Registration', contains a form with various fields: Library (selected 'cs'), Staff Id ('gb4655'), Email Id ('mca53amu@gmail.com'), First Name ('Mr.' dropdown, 'mohd'), Last Name ('miyan'), Employee's Gender ('Male' dropdown), Date of Birth ('2011-08-10'), Father Name ('TANVEERUSSAYED'), Contact No With STD/ISO Code, Mobile No, Mailing Address ('326 Mohd Habib Hall AMU'), City ('aligarh'), State ('up'), Country ('india'), ZIP Code ('202002'), Permanent Address, City, State, Country, and ZIP Code. The URL at the bottom of the page is 'http://localhost:8084/LibMS/staffRegistration.do#'. Both windows show the title 'Dr. Zakir Hussain Library' and the user role 'Institute Admin'.

Administrator->Staff Registration->Register Staff->Delete Staff Details

Step 1: Enter Staff id of the Member.

Step 2: Click Confirm Button to delete. You Can Also go back if you don't want to delete.

The screenshots illustrate the LibMS application's user interface for managing staff and registering new members. The top screenshot shows the 'Manager Staff' module where a staff member with ID 'gb4655' is selected for deletion. The bottom screenshot shows the 'New Member Registration' form, which is a complex input form for creating a new library member record. Both forms include validation messages and compulsory fields indicated by asterisks (\*).

Administrator->Staff Registration->Register Staff->View All

Click View All Staff Record to view all registered members

All the records of the members are shown in the grid. click any record to find the detail of the record

The screenshot shows a web-based library management system (LibMS). At the top, there's a header bar with tabs for 'HOME', 'ADMINISTRATOR', 'ACQUISITION', 'CATALOGUING', 'CIRCULATION', 'SERIAL', 'SYSTEM SETUP', 'UTILITIES', 'OPAC', and 'HELP'. The main content area is titled 'View All Staff Details'. It contains a table with four columns: 'Staff Id', 'First Name', 'Last Name', and 'Library'. The data in the table is as follows:

| Staff Id | First Name | Last Name | Library      |
|----------|------------|-----------|--------------|
| 111      | Kedar      | kumar     | Main Library |
| 123      | mohd       | myan      | cs           |
| 12345    | mohd       | myan      | cs           |
| 123456   | mohd       | myan      | cs           |

Below the table, there are navigation links: 'Next' (with page numbers 1 and 2), 'Back', and 'Done'. The status bar at the bottom right shows the IP address '127.0.0.1' and a timestamp '3:17 PM'.

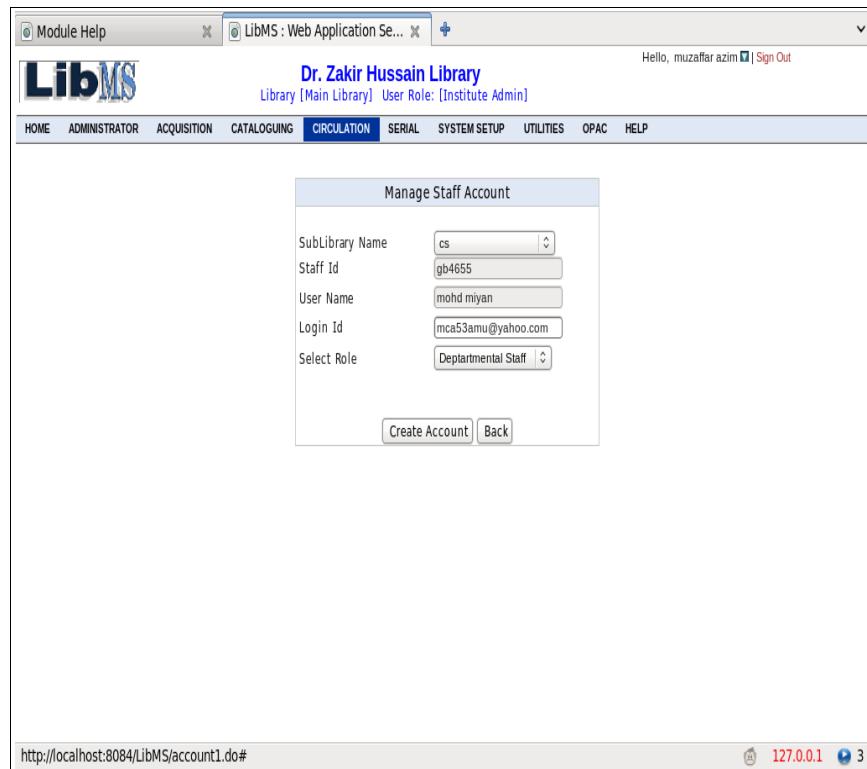

## Administrator->Manage Staff->Create Account

From this Module We can create account for member who have previously been registered.

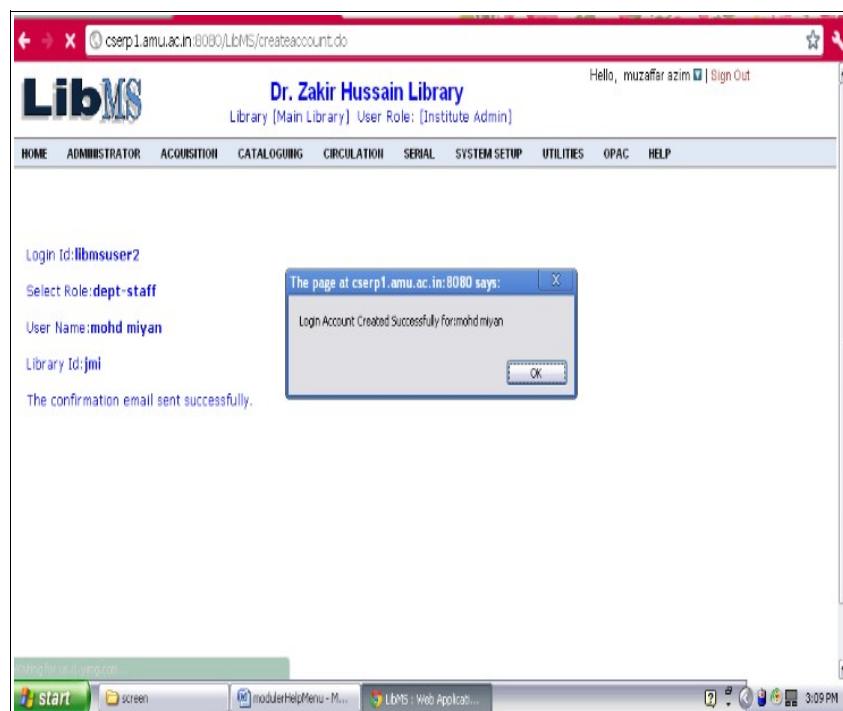

Step 1: Enter Staff id of the member who you want to create account for and click create account button. See picture below

Step 2: Assign appropriate login id of the user and select role. See picture below.

The screenshot shows the 'Manager Staff' page of the LibMS application. The URL in the browser is 'cserp1.amu.ac.in:8080/LibMS/admin/account.jsp'. The page has a header with 'HOME', 'ADMINISTRATOR', 'ACQUISITION', 'CATALOGUING', 'CIRCULATION', 'SERIAL', 'SYSTEM SETUP', 'UTILITIES', 'OPAC', and 'HELP' tabs. The main content area is titled 'Manager Staff'. It contains a form with a text input field labeled 'Enter Staff Id' containing 'gb4655'. To the right of the input field are five buttons: 'Create Account', 'View Account' (highlighted in yellow), 'Delete Account', 'Update Account', and 'Back'. The status bar at the bottom right shows the IP address '127.0.0.1' and a timestamp '3:17 PM'.

Step 3: It Will Display Following Message in a Pop Up Window.

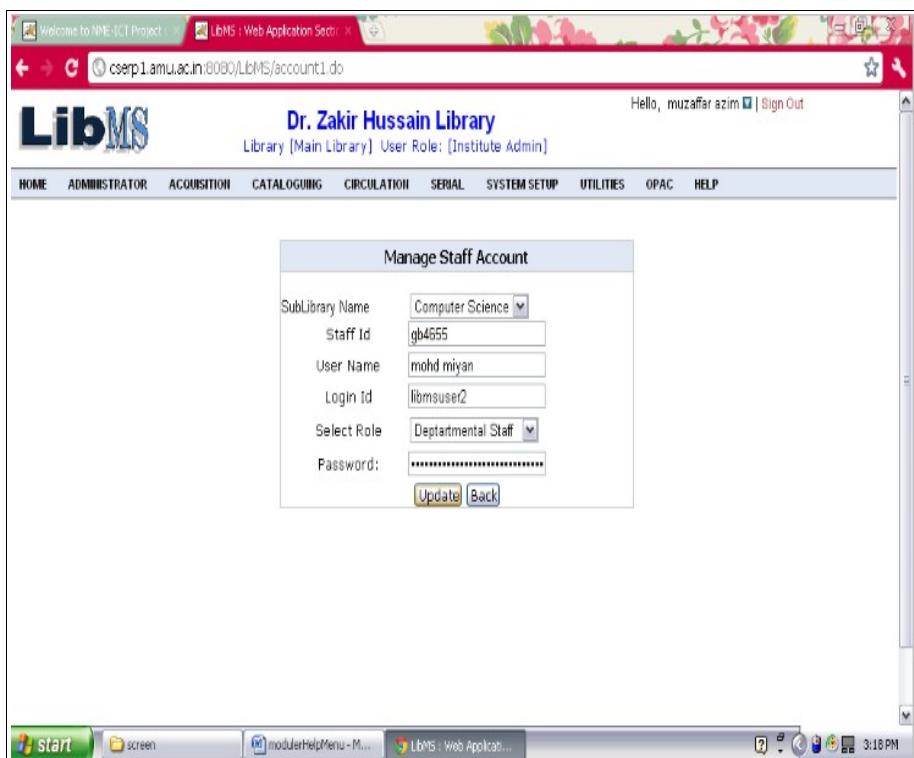

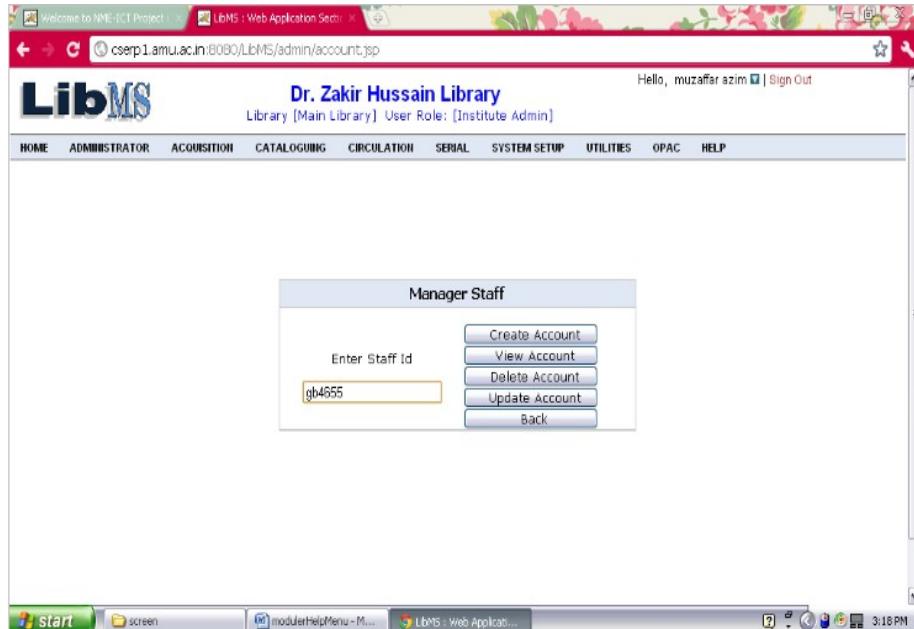

Step 4: In The Same Chaining It will again prompt to Assign Privileges to Staff (Same as Register Staff Activity).

Administrator->Manage Staff->Update Account

You can update account for those members who are registered and whose account has been created.

Step 1: Enter Staff Id of the member who you want to update account for and click on update Button.

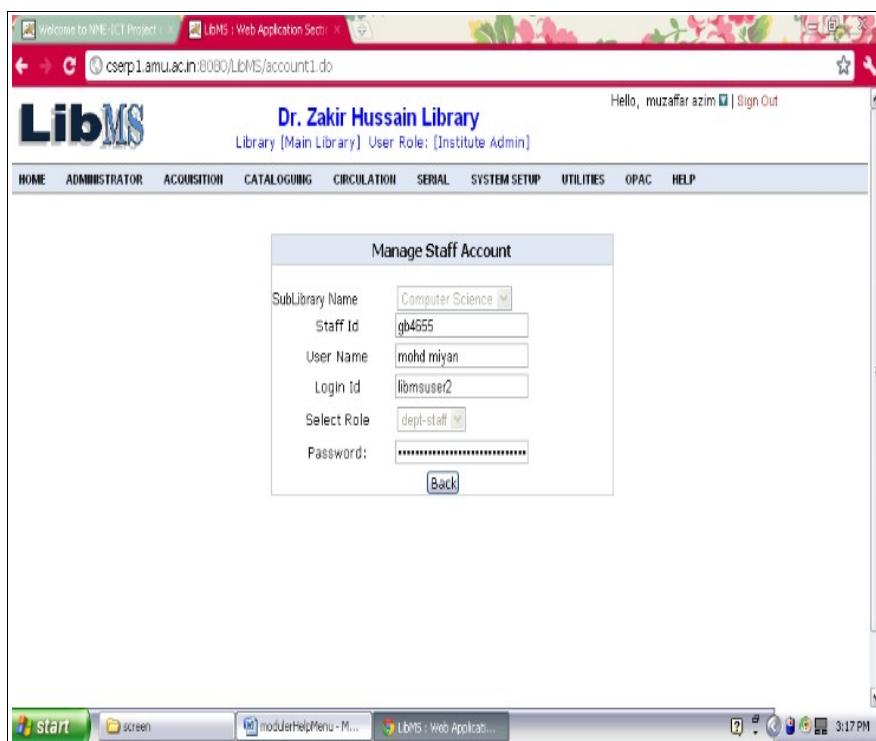

Here, You can change Sub library Name and his role in the library.

## Administrator->Manage Staff->View Account

This Activity will display the Account Details of Registered Member

Step 1: Enter Staff Id of the member and click view button.

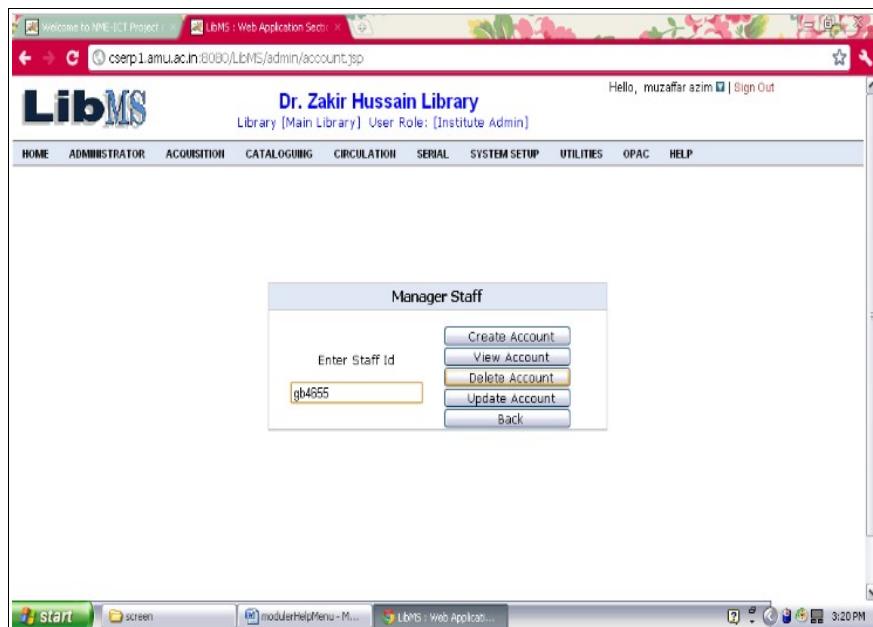

## Administrator->Manage Staff->Delete Account

This Activity is use to delete account for a member. In future you can again create for the deleted member, you don't need to re Register staff detail.

Step 1: Enter Staff Id of the member and click Delete button.

Step 2: Finally Click on Confirm Button.

## Administrator->Manage Staff->View All Staff Account

This Activity is use to view all registered member details whose account has been created.

The screenshot shows a web browser window for the LibMS application. The title bar reads "LibMS : Web Application Server". The main content area displays a table titled "View All Staff Details" with the following data:

| Staff Id | First Name  | Last Name | Library          | User Role  |
|----------|-------------|-----------|------------------|------------|
| 111      | Kedar Kumar |           | Main Library     | admin      |
| 222      | sunil kumar |           | Main Library     | staff      |
| 3123     | mohd milyan |           | Main Library     | staff      |
| 333      | Rawi Kumar  |           | Computer Science | dept-admin |

Below the table, there are links for "Next" and "12". At the bottom of the page is a "Back" button. The browser's address bar shows the URL "cserp1amu.ac.in:8080/LibMS/admin/Mewalaccount.do".

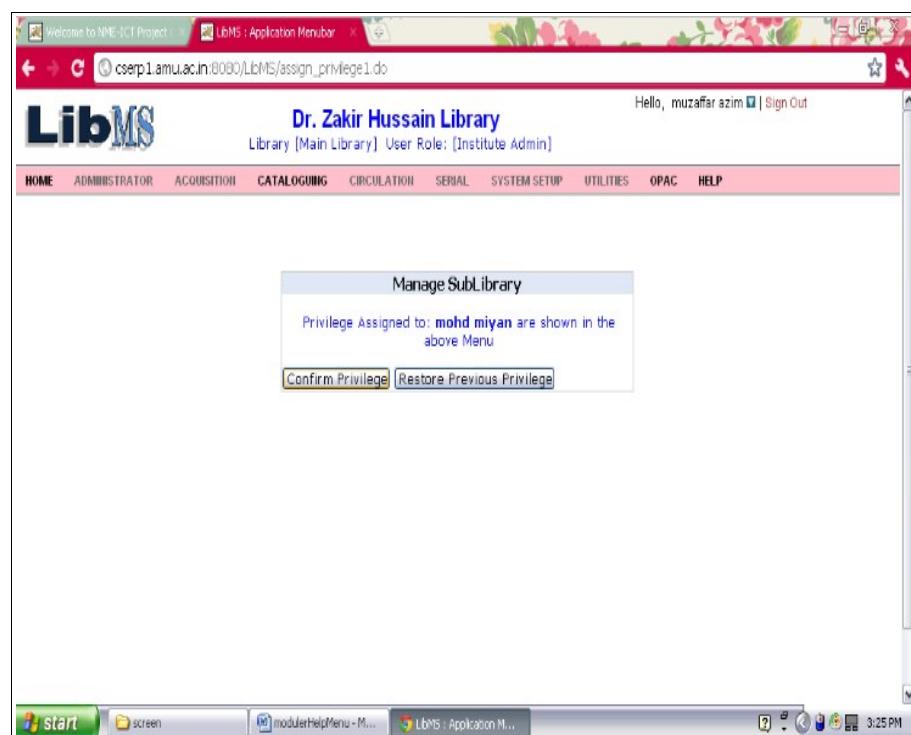

## Administrator->Manage Staff Privileges->Assign Privileges

From this Module We can Assign/View/Change privilege to members who are registered as well as their account has been created.

The screenshot shows a web browser window for the LibMS application. The title bar reads "LibMS : Web Application Server". The main content area displays a form titled "Manage Staff Privileges" with the following fields:

|                |                                     |  |
|----------------|-------------------------------------|--|
| Enter Staff Id | <input type="text" value="gb4655"/> | <input type="button" value="Assign Privileges"/> |
|                |                                     | <input type="button" value="View Privileges"/>   |
|                |                                     | <input type="button" value="Change Privileges"/> |
|                |                                     | <input type="button" value="Back"/>              |

The URL in the browser's address bar is "http://localhost:8084/LibMS/admin/assign\_privilege.jsp#".

Finally Either Click on Confirm Privileges to Activate the Changes made by you or Restore Privileges to its previous Status by Clicking on Restore Previous Privileges

Administrator->Manage Staff Privileges->Change Privileges

You can Change privilege of the member from here, by giving staff id of the member. You can also see assigned privilege for the member by giving staff id. The assigned privileges will be highlighted.

The screenshot displays two windows of the LibMS application. The top window is titled 'Manage Staff Privileges' and shows a form with an 'Enter Staff Id' field containing 'gb4655' and four buttons: 'Assign Privileges', 'View Privileges', 'Change Privileges', and 'Back'. The bottom window shows a list of privileges under 'CATALOGUING' with checkboxes. Some checkboxes are checked (highlighted in red), while others are empty. The checked items include: Initiate Cataloguing, Old Title Entry, Title Holding management, Subject Updates, Accession Management, Cataloguing of New Titles, Entry using Customized Template, Multimedia Management, Develop Bibliography, Print Catalogue Cards, Catalogue System Setup, Data Import/Export, Classified Subjects, Highly Priced titles, and Withdrawn Register. Below this list is a red-bordered box containing links: 'View list of checked Privilege', 'Show previously assigned privileges', 'Submit', and 'Back'. The status bar at the bottom shows the time as 3:27 PM.

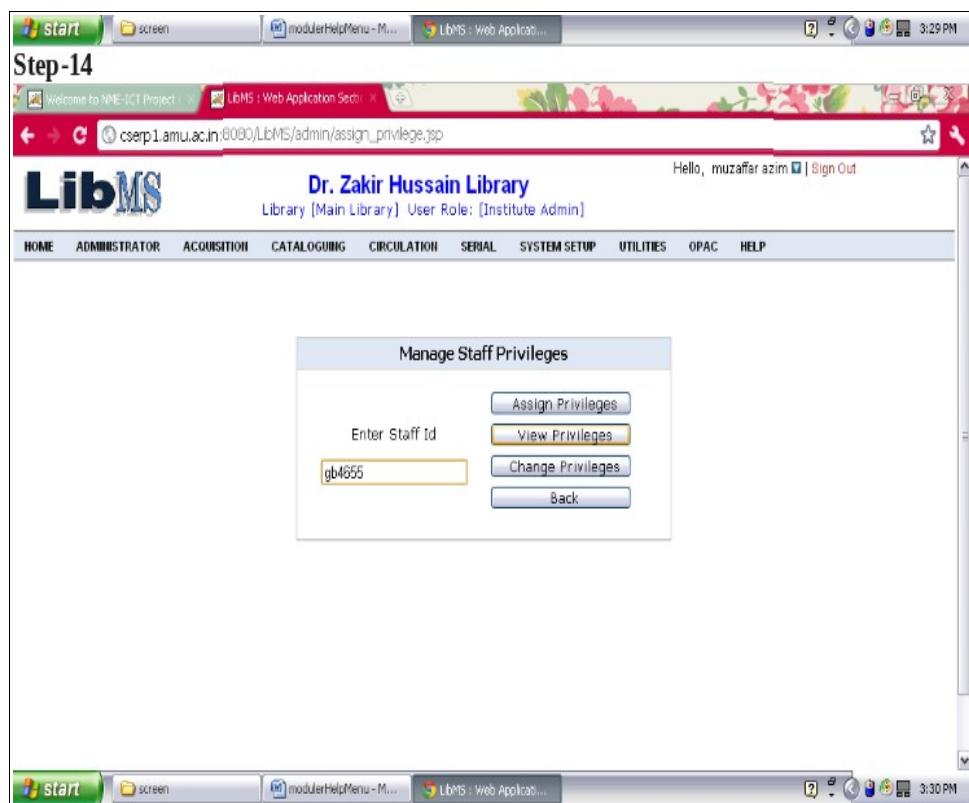

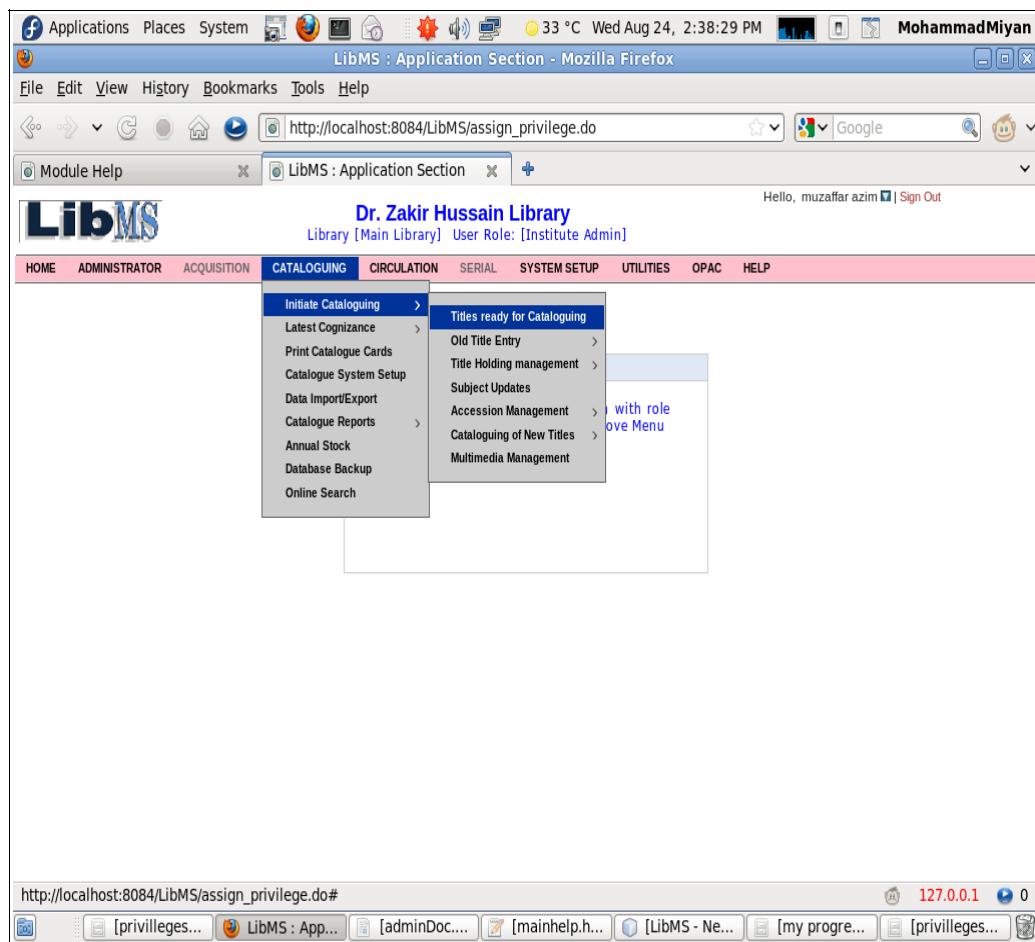

Finally Either Click on Confirm Privileges to Activate the Changes made by you or Restore Privileges to its previous Status by Clicking on Restore Previous Privileges

Administrator->Manage Staff Privileges->View Privileges

This Activity is use to view assigned privileges of Registered Member.

You need to give Staff id of the member and Click on View Privileges.

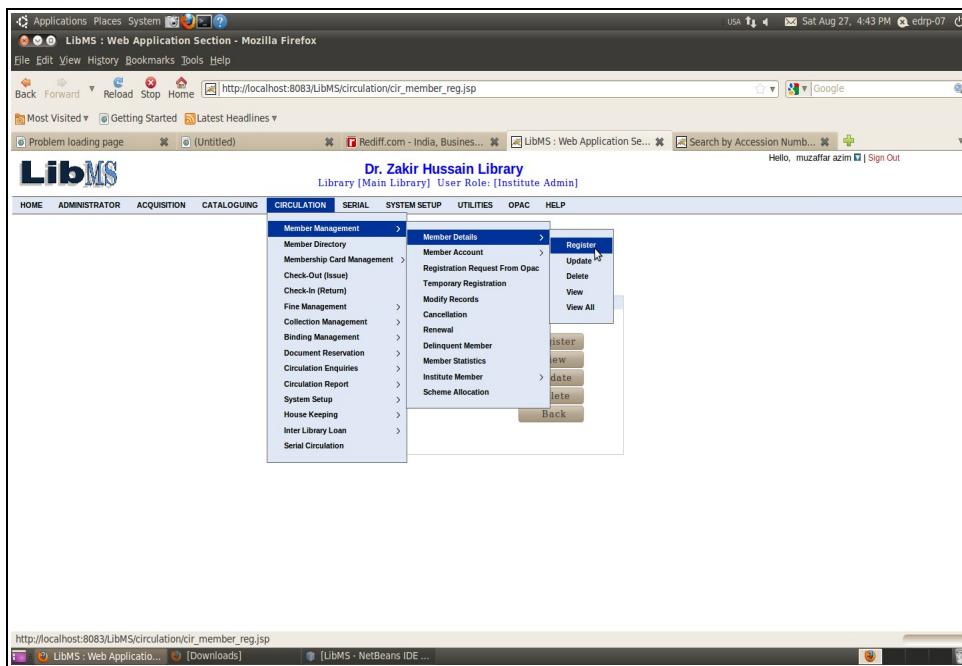

## Circulation Module

In Circulation Module, We can perform Activities like Member Registration Activity, Member Account creation activity. Circulation transactions viz. issue, return, renewal, reserve, queue can be successfully done also.

Circulation->Member Management->Member Detail->Register

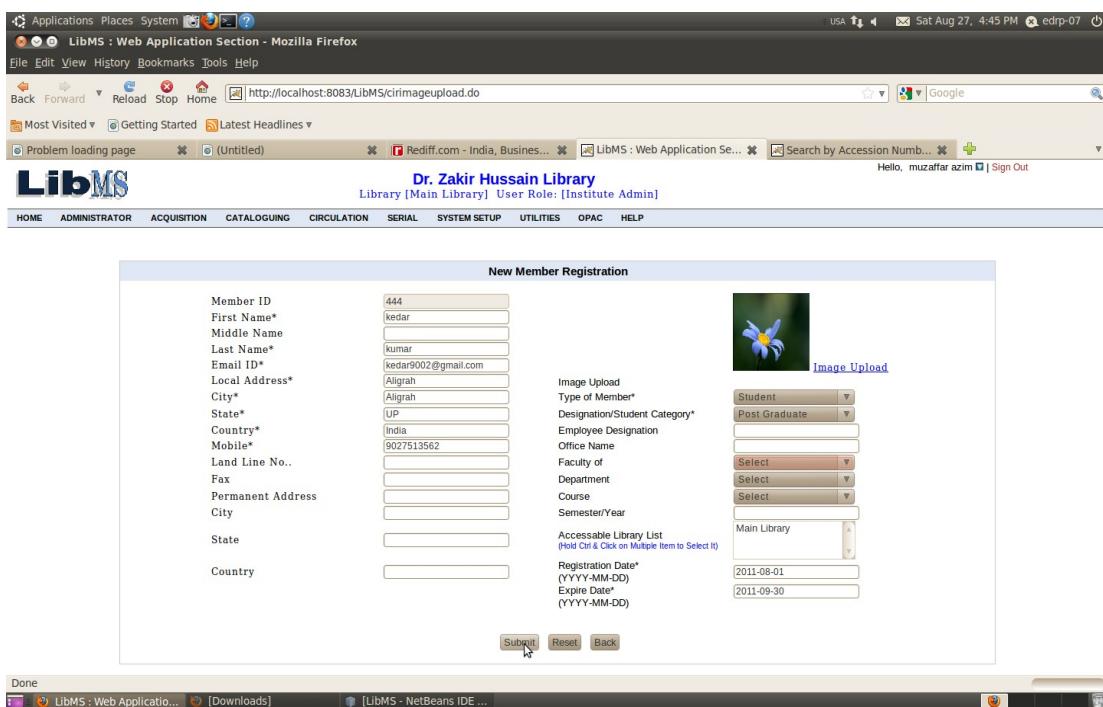

The librarian/Administrator of the library can Register Member of the user by clicking Register Link.

Enter Member ID of the user to register. The Member Id can be enrollment number or any other Id number belonging to the member.

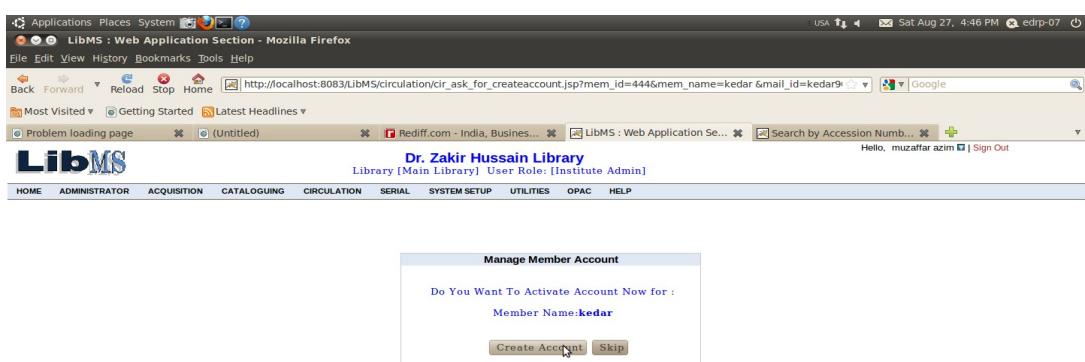

Fill all the fields and click Submit button

After Clicking on Submit Button, If registration is done Record Inserted Successfully message will appear.

You can also Create account here or you can Skip this step to create account later.

Enter Card Id and Click Submit button

HOME ADMINISTRATOR ACQUISITION CATALOGUING CIRCULATION SERIAL SYSTEM SETUP UTILITIES OPAC HELP

Circulation->Member Management->Member Detail->View All

The screenshot shows the LibMS application interface. The top navigation bar includes links for Applications, Places, System, and Help. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The main menu has tabs for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The CIRCULATION tab is selected. A sub-menu for "Member Management" is open, listing options like Member Directory, Membership Card Management, Check-Out (Issue), etc. A context menu for "Member Details" is also open, showing Register, Update, Delete, View, and View All. On the right side, there are three "Advertise Space" boxes. The URL in the address bar is "http://localhost:8087/LibMS/login.do".

The screenshot shows the "View All Member Details" page. The top navigation bar and menu are identical to the previous screenshot. The main content area displays a table of member details:

| MemberId | FirstName | MiddleName | LastName | EmailId             | RegistrationDate | ExpiryDate | Status | Faculty      | Department       | Course   | Sublibrary   |
|----------|-----------|------------|----------|---------------------|------------------|------------|--------|--------------|------------------|----------|--------------|
| 111      | kedar     |            | kumar    | kedar9002@gmail.com | 2011-07-06       | 2011-10-31 | Active | Main Library | Computer Science | bachelor | Main Library |
| 121      | mohd      |            | miyan    | mca53amu@gmail.com  | 2011-09-13       | 2011-09-30 | Active | Main Library | Computer Science | main     | Main Library |
| 222      | kedar     |            | kumar    | kedar9002@gmail.com | 2011-09-01       | 2011-09-30 | Active | Science      | Computer Science | bachelor | Main Library |
| 33       | mohd      |            | miyan    | mca53amu@gmail.com  | 2011-09-20       | 2011-09-30 | Active | Science      | Computer Science | main     | Main Library |

At the bottom, there are "Next" and "12" links. The URL in the address bar is "http://cserp1.amu.ac.in:8080/LibMS/circulation/cir\_viewallload.do".

Circulation->Member Management->Member Account->Create Account

You can Create account for already registered user (If a user is not registered you have to register him then you can create account for him)

Fill all the mandatory fields and click Submit button to create account

The screenshot shows a Firefox browser window with the LibMS application. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://cserp1.amu.ac.in:8080/LibMS/circulation/manage\_member\_account.jsp". The main content area displays a "Create Member Account" form. The form has a text input field labeled "Enter Member ID" containing "55", and several buttons on the right: "Create", "Update", "View", "Delete", and "Back".

The screenshot shows a Firefox browser window with the LibMS application. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://cserp1.amu.ac.in:8080/LibMS/mem\_account\_register.do". The main content area displays a "Manage Member Account" form. The form contains various input fields: Member ID/Login ID (55), Member Name (akhtar nasem), Email ID (akhtaralig2008@gmail.cc), Card Id\* (551), Type of Member\* (Student), Designation/Student (Post Graduate), Category\* (Employee), Designation (Designation), Office Name (Office Name), Faculty of (Select), Department (Select), Course (Select), Semester/Year (Semester/Year), Accessable Library List (Main Library), Registration Date\* (YYYY-MM-DD) (2011-09-01), and Expire Date\* (YYYY-MM-DD) (2012-01-21). At the bottom are "Submit", "Reset", and "Back" buttons.

If account is created a email regarding username and password is sent to the member

The screenshot shows a Firefox browser window with the LibMS web application. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://cserp1.amu.ac.in:8080/LibMS/cir\_account\_create.do". The main content area displays a "Create Member Account" form with a text input field for "Enter Member ID" containing "55". To the right of the input field are five buttons: "Create", "Update", "View", "Delete", and "Back". A message at the bottom of the form states "Account For Member Id:55Created and confirmation mail sent successfully". The LibMS navigation menu at the top includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP.

## Circulation->Check Out (Issue)

Member can get books/documents issued with this module. Click Check Out to Issue book to the member

Enter Member Id to check Out

Enter call Number of the book and click Submit button and click check out button to check out

The screenshot shows a Mozilla Firefox browser window displaying the LibMS web application. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://localhost:8083/LibMS/cir\_chk.do". The main content area has two panels. The left panel displays member information: Member ID (444), Member Name (kedar), Max Checkout Limit (3), No. of Current CheckOut (0), Available Chkout (3), Total Chkout (0), and Transaction Till Date (0). It also contains "Check out" and "Back" buttons. The right panel shows a table titled "View All Available Books" with one row: Title (Complete Ref C++), Call No. (501), Accession No (H153), and Status (available). Below this is a "Checkout Detail" form with fields: Title (Complete Ref C++), Author (kedar kumar), Name (kedar kumar), Accession No (H153), Issue Date (2011-08-27), Due Date (2011-09-01), and a "Check out" button. At the bottom of the page, the URL "http://localhost:8083/LibMS/showbook.do?d1=H153" is visible in the address bar.

You can check check out detail of the member by clicking detail link

## Circulation->Check In (Return)

Click Check In to receive a book from the member.

The screenshot shows a Mozilla Firefox browser window with the LibMS web application loaded. The URL is [http://localhost:8083/LibMS/circulation/cir\\_checkin.jsp](http://localhost:8083/LibMS/circulation/cir_checkin.jsp). The browser's top bar includes icons for Applications, Places, System, and a search bar for Google. The LibMS tab is active. The main content area shows the LibMS logo and navigation menu. The 'CIRCULATION' menu is expanded, with 'Check-In (Return)' selected. A sub-menu titled 'Book Return Checkin Process' is displayed, containing a text input field labeled 'Accession No.' and two buttons: 'Submit' and 'Back'. The status bar at the bottom of the browser shows 'Hello, muzaffar azim' and 'Sign Out'.

Enter Accession Number of the book to Check In

This screenshot shows the 'Book Return Checkin Process' form again. The text input field now contains '53' and the 'Submit' button is highlighted with a cursor. The background shows the LibMS application interface with the 'CIRCULATION' menu open.

This screenshot shows the 'Book Return Checkin Process' form with the 'Submit' button highlighted. The background shows the LibMS application interface with the 'CIRCULATION' menu open.

## Click check In Button to check in

## Cataloguing Module

The various activities in this module are- Initiate cataloguing process where the user can manage bibliographic record of a title.

The facility of entering data in multi-language is given in LibMS. For eg. if a title is in Hindi the user can insert bibliographic records in Hindi with or without changing the system keyboard.

Accessioning of items corresponding to a title.

Catalog card and bar-code printing of items.

Updating holding of a title.

MARC21 standard bibliographic data entry facility.

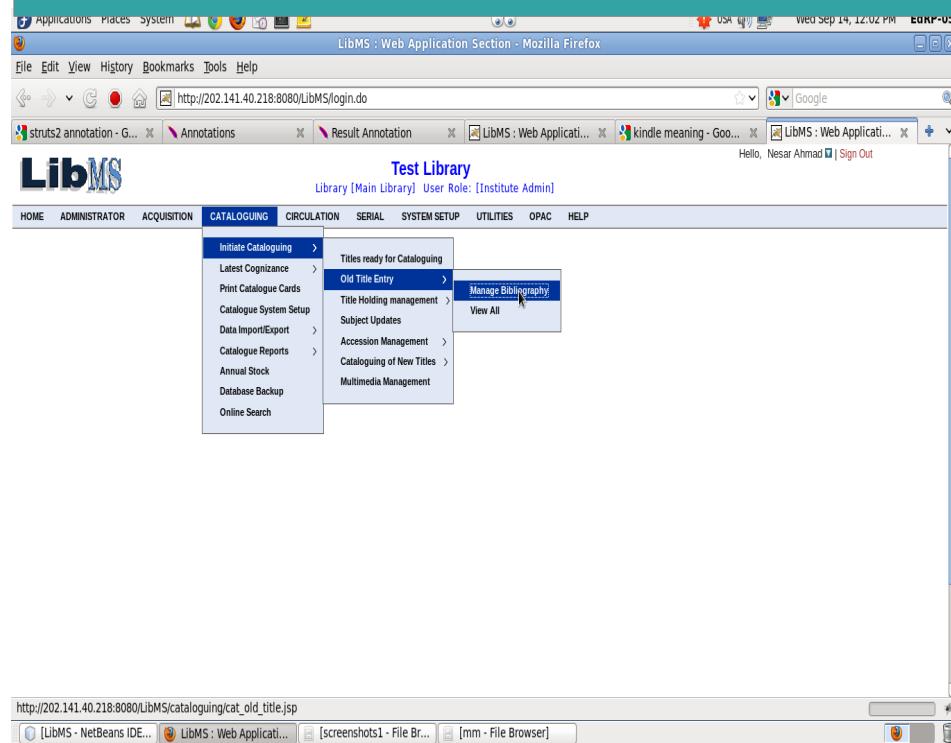

Import and export facility from and to various file formats such as excel, marc file, and text file.

Multilingual data entry in cataloguing module.

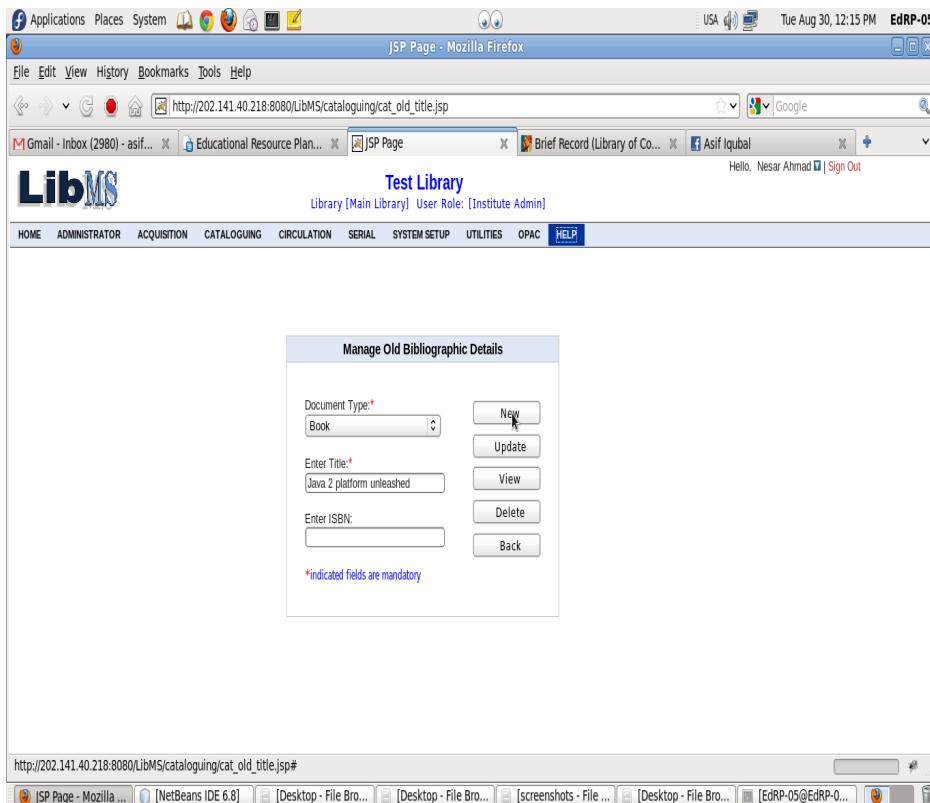

Multilingual search in OPAC module.

Catalog card printing, bar-code generation, MARC21 standard data entry facility are yet to be integrated with LibMS.

### Activity Name : Cataloguing->Initiate Cataloguing->Old Title Entry->Manage Bibliographic

Select Document type(BOOK,Journal,CD,DVD),Enter title and ISBN of the book and Click New Button.

Select Document Category from the drop down box(Make sure the document you are feeding here is issuable or non issuable. If the document you are feeding here is issuable select document type from the issuable document type if it is non issuable then select it from non issuable document type. If you dont find category of your document you can add it from system Setup

(System Setup->Manage Document Category->Add Document).

Fill all the mandatory fields and click Save button. You can also assign accession number to the document from here by clicking 'Save and go for accession'.

**Note :** Every Book/document in the library must has different accession number. We do accessioning to assign number of copies of the same title name.

|

**Activity Name : Cataloguing->Initiate Cataloguing->Old Title Entry->View All**

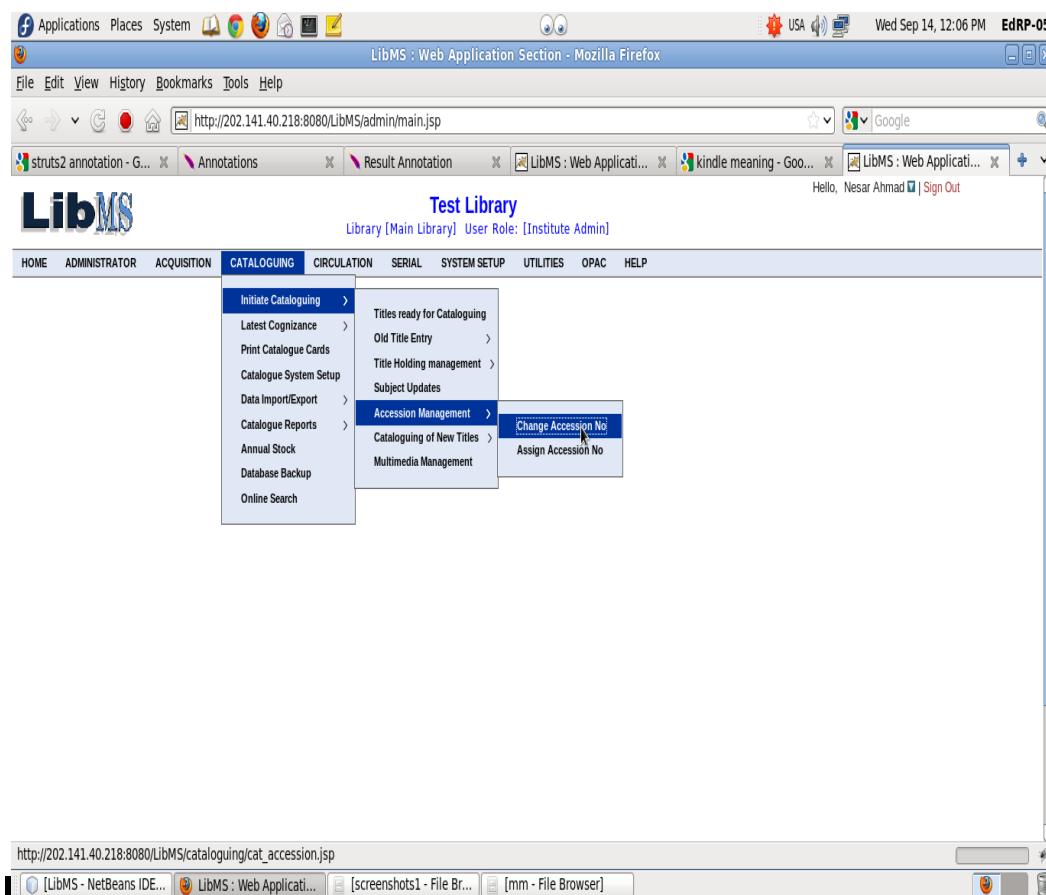

You will see a list of various document titles. Click view if you want to see bibliographic details of it.

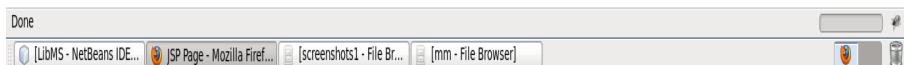

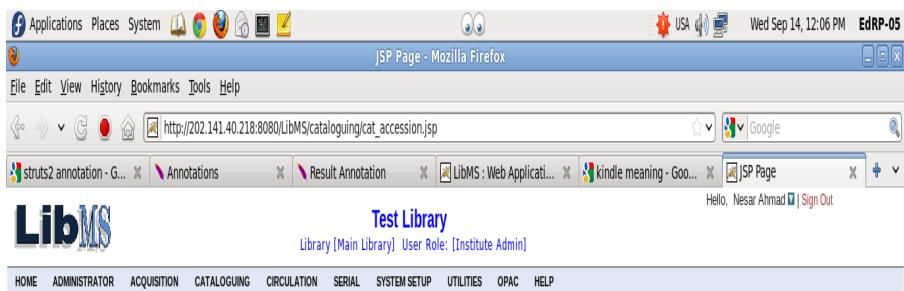

On Clicking View you will see this screen.

Accession number is the unique identity of a particular copy of a particular book. We can assign accession number to a book only if its title is registered/fed through "Entry Using Simple Template" (cataloguing->Initiate cataloguing->cataloguing of New Title->Entry Using Simple Template). Every Book/document in the library must have different accession number. We do accessioning to assign number of copies of the same title name.

Click on cataloguing->Initiate cataloguing->Accession Management->Change Accession Number

Select Document Type and enter title of the book/document of which you want to assign accession number and click new button.

You will see book /document detail. if click add new item.

You will see message "Item Detail is Updated successfully".

The screenshot shows a Mozilla Firefox browser window with the LibMS : Web Application Section title. The main content area displays the Biblographic Details section, which includes fields for Title (Watan), Subtitle, Document Category (Reference), Subjects, Alternate Title, Edition, No of Copies (3), Series, Statement Responsibility (by Ved Prakash Sharma), Main Entry (Sharma, Ved Prakash), Publisher Name (Raja Pocket Books), Publication Place (delhi), Publishing Year (2001), LCC No, Call No (200WV), ISBN-10 (8176042579), and ISBN-13. Below this is the Accessioning of Item section, showing a table with two rows:

| Record No | Accession No | Location | Action |
|-----------|--------------|----------|--------|
| 10        | HI2          | TLIB AMU | Edit   |
| 11        | HI101        | TLIB AMU | Edit   |

A "Back" button and a message "Item detail is updated successfully" are visible. The bottom of the browser window shows the standard Linux desktop interface with application icons.

ViewSelect Document type, Enter Title and Click view button to view.

The screenshot shows a Mozilla Firefox window titled "JSP Page - Mozilla Firefox". The address bar contains the URL "http://202.141.40.218:8080/LibMS/cataloguing/cat\_accession.jsp". The page header includes the LibMS logo and the text "Test Library". A navigation menu at the top has links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The main content area is titled "Manage Accession Register". It features a form with fields for "Document Type" (set to "Book") and "Enter Title" (set to "Watan"). To the right of the form are buttons for New, Update, View, Delete, and Back. A note at the bottom states "\*indicated fields are mandatory".

The screenshot shows the Mac OS X Dock with several icons visible, including "LibMS - NetBeans IDE...", "JSP Page - Mozilla Firefox...", "[screenshots1 - File Br...]", and "[mm - File Browser]".

You will see Bibliographic detail of the book. Click View to View.

The screenshot shows a Mozilla Firefox window titled "LibMS : Web Application Section - Mozilla Firefox". The address bar contains the URL "http://202.141.40.218:8080/LibMS/catAccession.do". The page header includes the LibMS logo and the text "Test Library". A navigation menu at the top has links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The main content area displays a table titled "Bibliographic Details". The table has columns for Biblio Id, Document Type, Title, Main Entry, Publisher Name, Edition, and Action. A row is shown for Biblio Id 4, Document Type Book, Title Watan, Main Entry Sharma, Ved Prakash, Publisher Name Raja Pocket Books, Edition Books, and Action View. A "Back" button is located below the table.

The screenshot shows the Mac OS X Dock with several icons visible, including "LibMS - NetBeans IDE...", "LibMS : Web Application...", "[screenshots1 - File Br...]", and "[mm - File Browser]".

You will see a list of different accessioned book of the same title. click view to view a particular accessioned book.

This screenshot shows the LibMS Cataloguing Accessioning Grid page. At the top, there's a navigation bar with links like HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. Below the navigation bar, there are three main sections: Title Information, Document Information, and Statement Responsibility. Under Title Information, the Title is listed as 'Watan'. In Document Information, the Document Category is 'Reference', Subjects are listed, and there are fields for Edition, No of Copies (3), and Series. Under Statement Responsibility, it shows 'Statement Responsibility' by 'Ved Prakash Sharma', 'Main Entry' as 'Sharma, Ved Prakash', 'Publisher Name' as 'Raja Pocket Books', and 'Publication Place' as 'delhi'. Publishing Year is listed as 2001. Below these sections is a Title Identification section with fields for LCC No, Call No (200WV), ISBN-10 (8176042579), and ISBN-13. A large yellow header 'Accessioning of Item' contains a table with two rows. The first row has Record No 10, Accession No HI2, Location TLIB AMU, and Action with a 'View' button. The second row has Record No 11, Accession No HI101, Location TLIB AMU, and Action with a 'View' button. A 'Back' button is located at the bottom left of this section. At the very bottom of the page, there are links for 'Pages 1 2', 'Done', and several browser tabs.

Delete Select Document type Enter Title of the Book and click Delete Button

This screenshot shows the LibMS Cataloguing cat\_accession.jsp page. The top navigation bar is identical to the previous screenshot. The main content area is titled 'Test Library' and shows the user 'Hello, Nesar Ahmad' with a 'Sign Out' link. Below the title, it says 'Library [Main Library] User Role: [Institute Admin]'. The navigation bar below the title includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. A central form titled 'Manage Accession Register' contains fields for 'Document Type' (set to 'Book') and 'Enter Title' (set to 'Watan'). To the right of these fields are buttons for 'New', 'Update', 'View', 'Delete', and 'Back'. A note at the bottom of the form states '\*indicated fields are mandatory'. At the bottom of the page, there are links for 'Done', 'LibMS - NetBeans IDE...', 'JSP Page - Mozilla Fire...', 'screenshots1 - File Br...', and '[mm - File Browser]'.

You will see bibliographic detail of the book. To delete Click delete.

The screenshot shows a Mozilla Firefox window with the LibMS application loaded. The address bar displays the URL <http://202.141.40.218:8080/LibMS/catAccession.do>. The title bar says "LibMS : Web Application Section - Mozilla Firefox". The status bar indicates "Wed Sep 14, 12:11 PM EdRP-05". The user is signed in as "Hello, Nesar Ahmad" and has a "Sign Out" option. The main content area shows a table titled "Bibliographic Details" with one row of data:

| Biblio Id | Document Type | Title | Main Entry         | Publisher Name    | Edition | Action                 |
|-----------|---------------|-------|--------------------|-------------------|---------|------------------------|
| 4         | Book          | Watan | Shama, Ved Prakash | Raja Pocket Books |         | <a href="#">Delete</a> |

The screenshot shows the LibMS application interface. A table titled "Bibliographic Details" is displayed with one row of data. The "Action" column for the first row contains a link labeled "Delete", which is highlighted with a cursor. Below the table is a "Back" button.

you will see a list of different accessioned book of the same title.Click delete to delete a particular accessioned book.

Note you can not delete a book if it is issued.

The screenshot shows a Mozilla Firefox browser window displaying the LibMS Web Application. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://202.141.40.218:8080/LibMS/cataloguing/accessiongrid.do". The main content area is divided into two sections:

- Bibliographic Details**: This section is divided into three horizontal tabs: "Title Information", "Document Information", and "Publication Information".
  - Title Information**: Contains fields for Title (Watan), Subtitle, Document Category (Reference), Subjects, Alternate Title, Edition, and Series.
  - Document Information**: Contains fields for Document Category (Reference), Subjects, Edition, and No of Copies (3).
  - Publication Information**: Contains fields for Publisher Name (Raja Pocket Books), Publication Place (delhi), Main Entry (Sharma, Ved Prakash), and Publishing Year (2001).
- Accessioning of Item**: This section contains a table with columns: Record No, Accession No, Location, and Action.

| Record No | Accession No | Location | Action                 |
|-----------|--------------|----------|------------------------|
| 10        | HI2          | TLIB AMU | <a href="#">Delete</a> |
| 11        | HI101        | TLIB AMU | <a href="#">Delete</a> |

At the bottom left of the application window, there is a "Back" button. The status bar at the bottom of the browser window shows "Pages 1 2" and "Done".

Click Delete.

## System Setup

**From this Module you can customize LibMS according to your library, you can set how much fine should be charged to the member and the period of relax of fine,you can set label/hierarchy of the library, sub library, departmental library,seminar library, book banks etc,you can add and publish notices for the members of the library,you can add faculty and manage them, you can add departments and courses run by various departments,you can define member types such as students, employee,staff etc of the library.**

System Setup->Manage Notices->Add Notice

**in this module you can write notice and publish them. All the notices published in this module are displayed in OPAC module.**

**Click on System Setup->Manage Notices->Add Notice**

The screenshot shows the LibMS application interface. At the top, there is a navigation bar with links: HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP (which is highlighted in blue), UTILITIES, OPAC, and HELP. Below the navigation bar, the main content area displays the title "Dr. Zakir Hussain Library" and the subtitle "Library [Main Library] User Role: [Institute Admin]". On the right side of the screen, there is a user profile with the text "Hello, muzaffar azim" and a "Sign Out" link. A dropdown menu is open under the "SYSTEM SETUP" link, showing the following options: Manage Notices, Manage Location, Manage MemberTypes, Manage SubMember Types, Manage Document Category, Configure Fine Paramters, Manage Faculty, Manage Department, Manage Courses, and Manage SubLibrary. The "Manage Notices" option is currently selected. To the right of this dropdown menu, there is a vertical sidebar containing five additional options: Add Notice, Update Notice, Delete Notice, View Notice, and ViewAll Notice.

**To write notice you have to give a proper notice id, all the notices are distinguished by this notice id.It is better to have some criteria while making this notice id so that notice id can be remembered easily.**

### Manage Location

**In this module you can define various location of your library. You can give proper Names to various section of the library(eg. Research Division, Professional Division, Graduation Studies etc). Every location name is uniquely identified by its unique location Id so it is recommended to use some criteria while making location id(eg. use RD for Research Division)**

System Setup->Manage Location->Add Location

**Click on System Setup->Manage Location->Add Location**

The screenshot shows a Firefox browser window displaying the LibMS administrative interface. The URL in the address bar is <http://cserp1.amu.ac.in:8080/LibMS/admin/main.jsp>. The page title is "LibMS : Web Application Section - Mozilla Firefox". The main navigation menu at the top includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The SYSTEM SETUP menu is currently active, showing a dropdown menu with options: Manage Notices, Manage Location, Manage MemberTypes, Manage SubMember Types, Manage Document Category, Configure Fine Parameters, Manage Faculty, Manage Department, Manage Courses, and Manage SubLibrary. The "Manage Location" option is highlighted, and a sub-menu for "Manage Location" is displayed, containing "Add Location" (which is also highlighted), Update Location, Delete Location, View Location, and ViewAll Location. The status bar at the bottom shows the URL [http://cserp1.amu.ac.in:8080/LibMS/systemsetup/add\\_location.jsp](http://cserp1.amu.ac.in:8080/LibMS/systemsetup/add_location.jsp), the IP address 10.0.17.7, and a notification icon with the number 0.

**Enter appropriate Location Id and click add button. It is recommended to make certain criteria to generate location Id so that you can easily remember location Id( Ex. PSD for professional studies division).**

The screenshot shows a Mozilla Firefox browser window displaying the LibMS web application. The URL in the address bar is <http://cserp1.amu.ac.in:8080/LibMS/login.do>. The browser toolbar includes icons for Applications, Places, System, and various system status indicators like battery level and network. The LibMS title bar says "LibMS : Web Application Section - Mozilla Firefox". The menu bar has options: File, Edit, View, History, Bookmarks, Tools, Help. The main content area shows the LibMS logo and "Dr. Zakir Hussain Library". The top navigation bar has links: HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The SYSTEM SETUP menu is open, showing sub-options: Manage Notices, Manage Location, Manage MemberTypes, Manage SubMember Types, Manage Document Category, Configure Fine Parameters, Manage Faculty, Manage Department, Manage Courses, and Manage SubLibrary. The "Manage Location" option is highlighted with a blue border. A dropdown menu for "Manage Location" is displayed, containing: Add Location, Update Location (which is highlighted with a blue border), Delete Location, View Location, and ViewAll Location. The status bar at the bottom shows the URL [http://cserp1.amu.ac.in:8080/LibMS/systemsetup/add\\_location.jsp](http://cserp1.amu.ac.in:8080/LibMS/systemsetup/add_location.jsp), the IP address 10.0.17.7, and a file browser icon.

**type location id and click update button**

The screenshot shows a web browser window with the LibMS application. The title bar includes tabs for 'file:///home...pSystemSetup', '15.png (PNG Image, 1023...', 'Welcome to NME-ICT Proj...', 'LibMS : Web Application S...', and a plus sign icon. The LibMS logo is on the left, followed by 'Dr. Zakir Hussain Library' and 'Library [Main Library] User Role: [Institute Admin]'. A navigation menu at the top includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL (which is highlighted in blue), SYSTEM SETUP, UTILITIES, OPAC, and HELP. On the right, there's a greeting 'Hello, muzaffar azim' with a sign-in icon, and 'Sign Out'.

**Here is the list of documents.**

The screenshot shows a web browser window with the LibMS application. The title bar has two tabs: 'file:///home/...lpSystemSetup' and 'LibMS : Web Application Se...'. The main content area displays the 'Dr. Zakir Hussain Library' logo and the text 'Library [Main Library] User Role: [Institute Admin]'. A navigation menu at the top includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP (which is highlighted in blue), UTILITIES, OPAC, and HELP. Below the menu is a table titled 'View All Document Category' with three columns: 'DocumentCategoryId', 'DocTypeName', and 'IssueType'. The table contains one row with values 't', 'textual', and 'Issuable'. A blue link labeled '1' is located below the table. At the bottom right of the table is a 'Back' button.

| DocumentCategoryId | DocTypeName | IssueType |
|--------------------|-------------|-----------|
| t                  | textual     | Issuable  |
| <a href="#">1</a>  |             |           |

A "Back" button is located at the bottom right of the form.

http://cserp1.amu.ac.in:8080/LibMS/bookcategorydecide.do# 10.0.17.7 0

System Setup->Configure Fine Detail->View All Fine detail

**Click on System Setup->Configure Fine Detail->View All Fine detail**

The screenshot shows a Linux desktop environment with a top panel containing icons for Applications, Places, System, and various system status indicators like battery level and network. The date and time are displayed as 33 °C Fri Sep 9, 6:52:48 PM. A user profile for MohammadMiyan is shown on the right.

The main window is a Mozilla Firefox browser displaying the LibMS : Web Application Section. The URL in the address bar is http://cserp1amu.ac.in:8080/LibMS/admin/main.jsp. The page title is LibMS : Web Application Section - Mozilla Firefox.

The browser menu bar includes File, Edit, View, History, Bookmarks, Tools, and Help. The toolbar includes standard navigation buttons (Back, Forward, Stop, Home) and search fields for Google and LibMS.

The LibMS application interface has a header with the logo "LibMS" and the text "Dr. Zakir Hussain Library". It displays the message "Hello, muzaffar azim | Sign Out".

The main menu bar includes HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP (which is currently selected), UTILITIES, OPAC, and HELP.

A dropdown menu for SYSTEM SETUP is open, listing the following items:

- Manage Notices >
- Manage Location >
- Manage MemberTypes >
- Manage SubMember Types >
- Manage Document Category >
- Configure Fine Parameters > (This item is highlighted with a blue border.)
  - Set FineDetail
  - Update FineDetail
  - Delete FineDetail
  - View FineDetail
  - ViewAll FineDetail (This item is highlighted with a blue border.)
- Manage Faculty >
- Manage Department >
- Manage Courses >
- Manage SubLibrary >

The taskbar at the bottom shows several open windows: "Done", "systemSetup\_screen - ...", "LibMS : Web Application Section - Mozilla Firefox", and "helpSystemSetup (~/D...)".

**Here is the list of all the fines.**

LibMS : Web Application Section [Downloads] systemSetup\_screen - ...

**Here is the list of all the departments.**

The screenshot shows a Firefox browser window with the title "LibMS : Web Application Section - Mozilla Firefox". The address bar displays the URL "http://cserp1amu.ac.in:8080/LibMS/systemsetup/view\_alldept.do". The main content area is titled "View All Department" and contains a table with three columns: Faculty Id, Department Id, and Department Name. The table data is as follows:

| Faculty Id | Department Id | Department Name   |
|------------|---------------|-------------------|
| arts       | urdu          | urdu              |
| com        | mfc           | Master of Finance |
| ls         | botany        | Botany            |

At the bottom of the table, there is a blue link labeled "1". The browser's status bar at the bottom shows "Done" and several open tabs, including "LibMS : Web Application Section", "Downloads", "systemSetup\_screen - ...", and "[old - File Browser]".

Manage Course

**This module you can add various courses run by departments. This is the last level of library hierarchy can make departmental library of various courses here by adding course in the department.**

System Setup->Manage Courses->Add Course

**Click Add Course to add a course in the department.**

The screenshot shows a Mozilla Firefox browser window displaying the LibMS web application. The URL in the address bar is <http://cserp1.amu.ac.in:8080/LibMS/admin/main.jsp>. The page title is "LibMS : Web Application Section - Mozilla Firefox". The main navigation menu at the top includes links for HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP. The SYSTEM SETUP menu is currently active, showing sub-options: Manage Notices, Manage Location, Manage MemberTypes, Manage SubMember Types, Manage Document Category, Configure Fine Parameters, Manage Faculty, Manage Department, Manage Courses, and Manage SubLibrary. The "Manage Courses" option is highlighted with a blue box, and a dropdown menu below it lists: Add Courses, Update Courses, Delete Courses, View Courses, and View All Courses. The status bar at the bottom shows the URL <http://cserp1.amu.ac.in:8080/LibMS/systemsetup/managecourse1.do> and several open tabs in the browser.

**Select Faculty and then Department and enter appropriate course Id. every course is recognized by its id in the library.**

The screenshot shows a Linux desktop environment with a Gnome-style interface. At the top, there is a panel with icons for Applications, Places, System, and network status. The date and time are shown as Mon Sep 12, 6:34 PM. A system tray icon for EDRP is also present.

The main window is titled "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL <http://cserp1.amu.ac.in:8080/LibMS/systemsetup/managecourse1.do>. The page content is titled "Manage Course". It contains fields for "Faculty Name" (set to "Arts"), "Department Name" (set to "urdu"), and "Enter Course ID" (set to "bsc"). To the right of these fields are buttons for "Add", "Update", "View", "Delete", and "Back". Below the form is a note: "Example: mca for MCA, mba for MBA & so on, if Course exists." The browser's toolbar includes File, Edit, View, History, Bookmarks, Tools, and Help. The menu bar also includes File, Edit, View, History, Bookmarks, Tools, and Help. The status bar at the bottom shows tabs for "LibMS : Web Application Section", "[Downloads]", "systemSetup\_screen - ...", "[old - File Browser]", and a power icon.

**Enter Course name and click submit button.**

The main window is titled "LibMS : Web Application Section - Mozilla Firefox". The menu bar includes File, Edit, View, History, Bookmarks, Tools, and Help. The toolbar includes Back, Forward, Stop, Home, and a search bar with Google and a magnifying glass icon.

The address bar shows the URL [http://cserp1.amu.ac.in:8080/LibMS/admin/manage\\_library.jsp](http://cserp1.amu.ac.in:8080/LibMS/admin/manage_library.jsp). Below the address bar are links for Most Visited, Release Notes, Fedora Project, Red Hat, and Free Content.

The LibMS application window title is "LibMS : Web Application Section". The header displays "Dr. Zakir Hussain Library" and "Library [Main Library] User Role: [Institute Admin]". The navigation menu includes HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, and HELP.

The central content area is titled "Manage SubLibrary". It contains a text input field labeled "Enter SubLibrary Id" with the value "seminar-cos". To the right are five buttons: Add, Update, View, Delete, and Back. A note below the input field says: "Example: cs for Computer Science, phy for Physics & so on, if SubLibrary/Departmental Library/Seminar Library exists."

**Record Deleted Successfully message will appear.**

The screenshot shows a Firefox browser window with the LibMS : Web Application Section - Mozilla Firefox title bar. The address bar displays the URL: http://cserp1amu.ac.in:8080/LibMS/libraryRegistration.do. The main content area shows the 'Manage SubLibrary' form. The form fields are as follows:

|   |                    |
|---|--------------------|
| Manage SubLibrary   |                    |
| Sub Library Id  | seminar-cps        |
| Faculty   | life science       |
| Department Name*  | Botany             |
| OR  |                    |
| Department Address*   | Lecture Building 2 |
| <input type="button" value="Delete"/> <input type="button" value="Back"/> |                    |

At the bottom of the browser window, there is a toolbar with icons for Applications, Places, System, and a search bar. The status bar at the bottom shows 'Done'.

System Setup->Manage Sub Library->View Sub Library

**Click View Sub Library to view a sub library.**

The screenshot shows a Mozilla Firefox browser window with the following details:

- Toolbar:** Applications, Places, System, and several icons for file operations.
- Address Bar:** LibMS : Web Application Section - Mozilla Firefox, http://cserp1.amu.ac.in:8080/LibMS/admin/manage\_library.jsp
- Menu Bar:** File, Edit, View, History, Bookmarks, Tools, Help.
- Google Toolbar:** Most Visited, Release Notes, Fedora Project, Red Hat, Free Content.
- User Information:** Hello, muzaffar azim | Sign Out
- Main Content:** Dr. Zakir Hussain Library, Library [Main Library] User Role: [Institute Admin].
- Navigation:** HOME, ADMINISTRATOR, ACQUISITION, CATALOGUING, CIRCULATION, SERIAL, SYSTEM SETUP, UTILITIES, OPAC, HELP.
- Sub-Content:** Manage SubLibrary. A form with an input field "Enter SubLibrary Id" containing "seminar-cos". Buttons include Add, Update, View (highlighted), Delete, and Back. A note below says: Example: cs for Computer Science, phy for Physics & so on, if SubLibrary/Departmental Library/Seminar Library exists.
- Bottom:** Done button, and a toolbar with LibMS : Web Application Section, Downloads, systemSetup\_screen ..., and other icons.

**Here is the detail of the sub library(see picture).**

The screenshot shows a Firefox browser window with the LibMS application running. The title bar reads "LibMS : Web Application Section - Mozilla Firefox". The address bar shows the URL "http://cserp1.amu.ac.in:8080/LibMS/libraryRegistration.do". The main content area displays the "Manage SubLibrary" form. The form fields are as follows:

|                     |                    |
|---------------------|--------------------|
| Sub Library Id      | seminar-cqs        |
| Faculty             | life science       |
| Department Name*    | Botany             |
| OR                  |                    |
| Department Address* | Lecture Building 2 |

A "Back" button is at the bottom of the form. The browser's status bar at the bottom shows "Done" and several open tabs.

System Setup->Manage Sub Library->View All Sub Library

Click View All Sub Library to see all Sub libraries.
